# Graduation Certificate Verification Guide

## Basic guide for how to verify your graduate certificate information on China Higher Education Student Information (CHSI) 中国高等教育学生信息网

https://www.chsi.com.cn/

Compiled by the Tsinghua University International Students & Scholars Center (2021/6/24)

The CHSI website is maintained by CHESICC (China Higher Education Student Information and Career Center), the MOE-authorized qualification verification institution in China. They offer digital administration and services for student enrollment, student records and other services.

Chinese and English original copy of your Graduation Certificate (both your name and certificate number are the same on both)

#### Step 1 : Open the website China Credentials Verification | CHESICC (chsi.com.cn)

**Step 2** : Registration Your account with your Mobile No. and Email

#### **Step 3** : Click Personal Review

#### **Click here For Registration** Online Authentication Qualification Certificate E Student Record Online acchentication service is based on qualification certificate or ID information provided by students. Student record and qualification authentication can be provided in several different forms: R she $(\mathbf{x})$ Individual Verification Member Verification Personal Review Web Service access into your own qualification or by name and diploma number by registered members qualification verification interface student record at no cost by 10 million based on Web Service students

**Step 4** : Register an Account

#### **Step 5** : Filling Your Data With your Degree Name and Passport Number

Also can no	ot be already us	ed on this we	ebsite for another
account.	0	* Mobile	Your Name: must be written as on your Graduation Certificate.
